AMBROSE WAGER HOUSE, Rhinebeck
Second Empire **TOUR CENTER**

Robert M. Toole is a landscape architect who specializes in historic landscape study and restoration. His new book, *Landscape Gardens on the Hudson*, is the first comprehensive study of the development of those landscapes, in the Hudson River Valley, that played an important cultural role early in United States history. *CLERMONT*, authored by Bruce E. Naramore and Reed Sparling, with photography by Chris Kendall and Tracie Rozhan, is a beautiful "fresh off the presses" tribute to the historic site. Book signings of both will be held at the Tour Center from 9 AM to 1 PM.
